Dear Municipal Official:

We have reviewed your ordinance for the municipal adoption of the Uniform Dwelling Code (UDC) and found it acceptable. You may begin enforcing the UDC per its administration and enforcement requirements of Ch. Comm 20, for at least all new one- and two-family dwellings as well as new alterations and additions to dwellings originally built since June 1, 1980. Note that all inspections must be performed by properly certified inspectors.

I am passing on to Henry Kosarzycki in our department your request to become a certified municipality for inspection of commercial buildings.

Feel free to contact me if you have any questions.

Sincerely,

Duane Hubeler
UDC Consultant
